General Membership and Account Information

I-1) Introduction

This Membership Agreement provides important information about your accounts at Brooklyn Cooperative FCU. When you sign the Membership Application and become a member of the credit union you agree to the terms and conditions of membership that are described in this Membership Agreement, to those that are contained in other credit union documents that are incorporated into this Membership Agreement by reference, and, in particular, to the credit union's Bylaws and Policies, as well as to any amendments that are made to any of these documents. If you have any questions about the contents of this or other credit union documents please direct them to the credit union Manager.

I-2) Membership Eligibility

In order to become a member of the credit union, you must meet the credit union's field of membership requirements, complete a Membership Application, pay a membership fee, and purchase a \$5.00 share. Your application for membership authorizes the credit union to check your account, credit, and employment history, and to obtain relevant information from third parties in order to confirm your eligibility for membership and services requested.

I-3) Regular Share Account

The initial payment of \$5.00 opens a regular share account, which will be your primary savings account at the credit union. The ownership of a share in the credit union is a prerequisite to becoming a member, or a shareholder, of the credit union. It is also required that every member of the Brooklyn Cooperative FCU maintain the minimum of \$5.00, the cost of one share, in their regular share (savings) account. In order to ensure that all members keep a minimum balance of \$5.00, Brooklyn Cooperative FCU will freeze the initial deposit of \$5.00 in every member's account. When a member closes their regular share account, this \$5.00 will be returned to them.

I-4) Dividends

At the discretion of the Board of Directors, and when in compliance with the *Federal Credit Union Act*, dividends will be paid on regular share accounts at the close of every month. In practice this means that dividends may be paid only from the credit union's current income and available earnings, after operating expenses are met and required transfers to reserves have been made.

All members have the option of designating their regular share account a non-dividend earning account. Members who wish to receive dividends must have their social security number on record at the credit union. Dividends begin to accrue on member savings as soon as cash is deposited or checks clear.

I-5) Statements

Brooklyn Cooperative FCU will send its members a periodic statement of their accounts. It is the members' responsibility to notify the credit union immediately of any mistakes showing on their account statement. Statements will be sent to the member's home address. Members may also choose to receive electronic account statements when they sign up for online banking.

I-6) Complaints

Should you as a member of the credit union have any complaints or concerns about credit union operations or services, those complaints or concerns should be directed to the following body and address:

**Supervisory Committee
Brooklyn Cooperative FCU
PO Box 863366
Ridgewood, NY 11386**

The Supervisory Committee is comprised of volunteer members of the credit union charged with internally monitoring the credit union's operations and regulatory compliance.

I-7) Updating Personal Information

Members are responsible for informing Brooklyn Coop FCU of any changes in their personal information in writing, via fax or by filling out a form at the credit union offices, through the website or in their online account.

I-8) Joint Accounts

It is recommended that individuals establish their own account at Brooklyn Coop FCU. This is for purposes of establishing an independent relationship with a financial institution and thereby developing creditworthiness. However, if you would like to share an account with someone else, you will need to have that person complete the joint account section of your membership application and come into the credit union office to verify identification. When you open a joint account with someone, that person will have complete access to your account. Both individuals listed on a joint account will be authorized to make transactions on that account. However, being named as a joint owner of a joint account is not sufficient to establish membership. Each member must purchase and maintain at least one share in a share account that names the member as the sole or primary owner.

I-9) Accounts for Minors

Accounts may be established by a minor who is 13 years or older. The minor will have authority to request transactions on the account without regard to an adult. We have no duty to inquire about the use or purpose of any transaction. Unless a guardian or parent is a joint account owner on a minors account, the guardian or parent shall not have any account access rights. We will not change the account status when the minor reaches the age of majority unless authorized in writing by all account owners.

I-10) Uniform Transfer to Minors Account/ "Custodian Account"

A Custodian Account may be opened for a minor, using the name and social security number of the minor, but accessible only to the parent or guardian - the "Custodian" - responsible for opening the account. The Custodian then controls the account and is the only party entitled to make transactions on it. At the age of 18 or 21, as determined by the Custodian at the time of opening, control of the account is turned over to the minor.

I-11) Death of Member

In the event of the death of a member, the credit union will stop all transactions on the account when notified of the member's death. If the account has a joint account, the joint member will be instructed to open a new account. The credit union will validate all transactions that happened prior to the member's death, even if they are completed afterwards. If the account of a deceased member is an independent account without a joint holder with *rights of survivorship*, the remaining funds will be dispensed to the beneficiary listed in the Membership Application. The beneficiary must show a valid picture ID to receive these funds. If no beneficiary is listed in the Membership Application, the account will fall under the control of the deceased member's estate.

I-12) Closing your Account

You may close your account by notifying Brooklyn Cooperative FCU in writing. When you close your account and withdraw the minimum

balance of \$5, you will no longer be a member of the credit union and you will not be eligible to use the services the credit union offers. If you wish to reopen your account after you have closed it, you can do so by paying the membership fee again and depositing the minimum balance of \$5.00.

I-13) Termination of Account

Brooklyn Cooperative FCU may terminate your account at any time without notice to you, or require you to close your account and apply for a new account if: 1) there has been a change in owners or authorized signers; 2) there has been a forgery or fraud reported or committed involving your account; 3) there is a dispute as to the ownership of the account or of the funds in the account; 4) there are excessive returned unpaid items not covered by an overdraft protection plan; 5) there has been any misrepresentation or any other abuse of any of your accounts; or 6) we reasonably deem it necessary to prevent a loss to the credit union.

I-14) Financial Counseling

Brooklyn Cooperative FCU will endeavor to make financial education and counseling resources available to its members. Should you choose to use these resources, you agree to hold Brooklyn Cooperative FCU, its officials, staff, and volunteers harmless from any claim, suit, action, or demand of your creditors, yourself, or other agents resulting from such financial education or counseling.

Account Transactions and Access

II-1) Accessing Your Account

Members of Brooklyn Cooperative FCU can access their accounts either by completing a transaction with a credit union teller during business hours, withdrawing funds using their ATM/Debit card, or writing checks from their checking account. Members can also access their account online via our website www.brooklyn.coop.

II-2) Deposit of Funds

Funds may be deposited to any account in any manner approved by the credit union. This currently includes the depositing of cash, personal, business and government checks made payable to the account holder(s), and money orders. Not all deposits will be immediately available for withdrawal. Please refer to the Reg CC check clearing guidelines of this Membership Agreement for further information.

II-3) Withdrawal of Funds

Funds may be withdrawn from your account during business hours at the credit union by completing a withdrawal slip and presenting it to a teller. Members should present their credit union account cards whereupon tellers may request photograph identification before authorizing the transaction. Brooklyn Cooperative FCU may refuse a withdrawal request if any documents or identification required in connection with the withdrawal have not been presented.

II-4) Withdrawal Limits

As a general rule, the maximum cash withdrawal per member will be \$5,000 per day at the credit union. This is in order to minimize the amount of cash that the credit union has to keep on site. With sufficient prior notice, members may withdraw more than this amount. If a member wishes to withdraw more than \$5,000, but has not given sufficient prior notice, they may be issued an Official Check in place of cash. The manager may make exceptions to this rule at his/her discretion. Maximum ATM withdrawal limits are defined in section III-4.

II-5) Money Orders

Brooklyn Coop may not accept for deposit a money order presented over six months from the money order's date of issue. Stale dated Money Orders are voided and refunded back into the member's account. Only members may cash a money order and only if sufficient funds are available in the member's share account.

II-6) Brooklyn Coop's Cashier's Checks

Brooklyn Coop will not accept for deposit a Cashier's check presented over **ninety days** from the check's date of issue. After 90 days the check is voided, and funds are returned back into the member's account. Only members may cash a cashier's check and only if sufficient funds are available in the member's share account.

II-7) Inactive and Dormant Accounts

If you do not transact on your savings account at the credit union, i.e., make in-person deposits, withdrawals, or receive deposits electronically you may be subject to an inactivity fee. The credit union will impose a fee on inactive accounts for a period of 2 years.

After three years of inactivity, the account is considered abandoned, and the account balance escheated to New York State as per New York State law. Please refer to the credit union's Inactive and Dormant Account Policy for more information.

II-8) Disclosure of NSF & Re-presentation of Payment Transaction per item Fee

Brooklyn Coop may return a transaction (e.g., ACH, BillPay, Share Draft) and charge an NSF fee when presented for payment against an account if the amount exceeds the funds available. Each time a payment item is returned for insufficient funds, an NSF fee may be assessed in the amount shown on Brooklyn Coop's current Schedule of Fees and Charges provided at the time of account opening and available in each of the branch locations and on the website. After the merchant receives notice of denial, the merchant may subsequently resubmit the transaction for payment multiple times to Brooklyn Coop even if we have already returned the item previously. Brooklyn Coop again will return the item, resulting in an additional NSF fee. Thus, you may be charged multiple NSF fees in connection with a single debit that has been returned for insufficient funds multiple times.

Upon receipt of confirmation from us that we have received an image of an item, you agree to prominently mark the item as “Electronically Presented” or “VOID”, or to otherwise render the item incapable of further transmission, deposit, or presentment. If requested by us, you will promptly provide any retained item or a sufficient copy of the front and back of the item to us to aid in the clearing and collection process, to resolve claims by third parties with respect to the item or for our audit purposes.

You agree to retain the original item for at least thirty (30) days from receipt of confirmation from us that we have received an image of an item. After thirty (30) days you agree to destroy the item that you transmitted to ensure that it is not re-presented.

III-8) Availability of Funds

You agree that items transmitted using this service are not subject to the funds availability requirements of Federal Reserve Board Regulation CC.

In general, if an image of an item you transmit through the Mobile Remote Deposit Service is received and accepted before 4:00 p.m. Eastern Time on a business day that we are open, we consider that day to be the date of your deposit. Otherwise, we will consider that the deposit was made on the next business day we are open. Funds deposited using the Service will generally be made available within

three business days beginning with the date of the deposit. For example, an item received before 4:00 p.m. Eastern Time on Monday would generally be made available on Thursday.

We reserve the right to review any item you submit through the Mobile Remote Deposit Service and reject the item if, in our sole discretion, we determine the item to be ineligible for the Service. Such a review may result in a delay in the availability of funds as outlined above.

Any crediting of your account for Items deposited via the mobile deposit service is provisional, subject to verification and final settlement. Any dishonored Items will be returned as an image of the original or as a Substitute Check.

Any Item that is returned or dishonored may be charged to your Deposit Account or any other account in your name. Any dishonored Item is subject to a fee according to the Credit Union Fee Schedule at the time of the return.

You also agree that the Credit Union, at its discretion, may place an additional hold on any item for a reasonable period until the settlement of the item is deemed to be complete.

III-9) Warranties and Representations

You represent, warrant and covenant the following to us:

a. Checks Deposited

You shall only deposit Checks that are authorized by this Agreement, the procedures and the Deposit Agreement.

b. Image Quality

Each Image transmitted by you to us contains an accurate representation of the front and the back of each item and complies with the requirements of this Agreement.

c. Accuracy of Information

All data and other information submitted by you to us, including but not limited to data contained in the MICR line of each Check, are complete and accurate and comply with the requirements of this Agreement.

d. No Duplicates

You will not:

(i) create duplicate images of the checks, (ii) transmit a duplicate image or file to us or (iii) deposit or otherwise negotiate the original of any check of which an Image was created. You further warrant that no subsequent transferee—including but not limited to us, a collecting or returning bank, drawer, drawee, payee or endorser—will be asked to pay the original Item from which the image(s) was created or a duplication (whether paper or electronic, including ACH entries) of the item(s).

e. No Loss

No subsequent transferees of the item(s)—including but not limited to us, a collecting or returning bank, drawer, drawee, payee or endorser—shall sustain a loss as the result of the fact that the image was presented for payment or returned instead of the original check.

f. Information

All information provided by you to us is true, complete and accurate and properly reflects your business; financial condition; and principal partners, owners or officers. You are not engaged in or affiliated with any businesses, products or methods of selling other than those disclosed by you to us.

g. Authority and Legality

(i) You are authorized to enter into, and perform your obligations under this Agreement; (ii) the person signing this Agreement on behalf of you is duly authorized to execute this Agreement; (iii) this Agreement is valid and enforceable against the Customer in accordance with its terms; and (iv) the entry into and performance of this Agreement by you will not violate any law, or conflict with any other agreement, to which you are subject.

h. No Litigation

(Commercial Accounts Only)

There is no action, suit or proceeding pending or, to your knowledge, threatened that if decided adversely would impair your ability to carry on your business substantially as now conducted or that would adversely affect your financial condition or operations.

i. Transactions

All your Checks are and will be bona fide. All signatures on Checks are authentic and authorized.

j. Rule Compliance

You submit Checks and Files in compliance with this Agreement, the Procedures, applicable law and the Rules.

k. Computer Virus

No Images contain any computer viruses or other harmful, intrusive or invasive codes.

III-10) Returned Checks**a. Charge-back of Returned Checks**

If Images of Checks deposited by you are dishonored or otherwise returned unpaid by the drawee bank or are returned by a clearing agent for any reason, including but not limited to issues relating to the quality of the Image, you understand and agree that, since you either maintain the original item or have destroyed it in accordance with the Disposal of Transmitted Items section of this Agreement, the original Check will not be returned, and we may charge back an Image of the Check to your Account. You understand and agree that the Image may be in the form of an electronic or paper reproduction of the original Check or a substitute check. Unless otherwise instructed by us, you agree not to deposit the original Check if an Image or other debit as previously described is charged back to you.

III-11) Processing Fees

You agree to immediately reimburse us for any negative balance in your account caused by your use of Mobile Remote Deposit. In the

event legal action is required, you agree to pay us for our reasonable attorney's fees and court costs. If your use of Mobile Deposit causes a negative balance in your account, you also agree to pay our overdraft fee.

We will not be liable for negative balances on accounts caused by the nonpayment of checks due to insufficient funds, delays in the mail service or for any action by you or any authorized users of the account that results in the reversal of a deposit on the account. We reserve the right to discontinue Mobile Remote Deposit or to suspend account access at any time due to a change in business conditions or the failure of any member to abide by the Online Banking Services Agreement and Consent to Electronic Documents, the Mobile Remote Deposit Agreement or any other applicable Brooklyn Cooperative Federal Credit Union Agreements and Disclosures.

III-12) Liability for Unauthorized Use

CONTACT US IMMEDIATELY if you believe that unauthorized activity has been conducted through the Mobile Remote Deposit program. Emailing us at info@brooklyn.coop or telephoning us 718-418-8232 x0 is the best way of keeping damages to a minimum. Also, if your statement shows an error or transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from conducting an unauthorized transaction if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods with appropriate documentation of proof.

III-13) Limit of Liability

- a. Any provision in this Agreement, and other Agreement or the Rules to the contrary notwithstanding, we shall only be liable for damages solely and proximately caused by our gross negligence or willful misconduct, and our liability shall in no event exceed

the lesser of (i) your actual damages or (ii) the total fees paid by you to us for the Mobile Remote Deposit.

Service for the period of six (6) months immediately preceding the date of the alleged gross negligence or willful misconduct. In no event shall we or any provider be responsible or liable for any indirect, special, consequential, exemplary, punitive or incidental damages, losses or injuries (including, without limitation, lost profits, loss of use, loss of data or cost of cover) arising out of or related to the use by you of the Mobile Remote Deposit Service or any service or our failure or that of any provider to properly process and complete transactions thereunder, even if we or such provider(s) have been specifically advised of the possibility of such damages, losses or injuries.

- b. You acknowledge and agree that your use of the Mobile Remote Deposit Service shall be at your sole risk, and that the Mobile Remote Deposit Service is provided by us on an “as is” basis.

You agree that no oral or written advice or representation obtained from any Credit Union employee or representative shall create a warranty or representation for purposes of this Agreement or the Mobile Remote Deposit Service to be performed pursuant hereto.
- d. To the fullest extent allowed by law, and subject to the foregoing provisions of this section dealing with our liability for damages solely and proximately caused by our gross negligence or willful misconduct, our liability to you under this agreement shall be limited to correcting errors resulting from our failure to exercise ordinary care.

- e. We make absolutely no representations or warranties whatsoever, express or implied, in law or in fact, to you or to any other person as to any computer hardware, software or equipment in connection with the Mobile Remote Deposit Service, including but not limited to your computer systems or related equipment, your software or your Internet service provider or its equipment, or as to the suitability or compatibility of our software, Internet-delivered service, equipment or communication interfaces with those that you use, or as to whether any software or Internet-delivered service will perform in an uninterrupted manner, including but not limited to any warranty of merchantability or fitness for a particular purpose.

- f. III-16) Business Days/Hours

For purposes of this disclosure, our business days are Monday through Friday except for holidays.

III-17) Documentation

Any transactions you execute that are accepted through the Mobile Deposit Service will appear on the periodic statements the Credit Union provides for your deposit account at the frequency set forth in the agreement governing that account.

This agreement is an extension of your agreement with Brooklyn Cooperative Federal Credit Union in place for Online Banking and other EFT services and should be maintained with the agreements and disclosures you received when you enrolled for those services.

Electronic Funds Transfer Agreement and Disclosure

The following disclosures apply to consumer deposit accounts only

This Electronic Funds Transfer Agreement is the contract which covers the consumer and credit union's rights and responsibilities concerning the electronic funds transfer ("EFT") services offered to you by Brooklyn Cooperative Federal Credit Union. Electronic funds transfers are electronically initiated transfers of money from your account through the electronic funds transfer services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered.

IV-1) Condition of EFT Services

Ownership of Cards. Any card which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. **You cannot transfer your card or account to another person.**

Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

Security of Access Code. You may use one or more access codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You

agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the credit union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the credit union suffers a loss, we may terminate your EFT services immediately.

Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any savings and checking or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and hereby is authorized by every other joint account owner to, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

Notice Regarding Non-VISA Pin-less Debit Transactions

You may use your Visa Debit Card to initiate both Visa debit transactions and non-Visa debit transactions without using a personal identification number (PIN) to authenticate the transactions.

To initiate a Visa debit transaction, you may sign a receipt, provide a card number or swipe your card through a point of sale (POS) terminal and choose to route the transaction over a Visa network.

To initiate a non-Visa debit transaction, you may enter a PIN at a point-of sale terminal or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction. We have enabled non-Visa debit transaction processing on the Pulse network.

The rights and protections applicable only to Visa debit transactions, including additional consumer liability limits and streamlined error resolution procedures will not apply to transactions processed through non-Visa networks.

IV-2) Consumer Liability

Tell us AT ONCE if you believe your card has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using your account information. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card, you can lose no more than \$50 if someone used your card without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card, and we can prove we could have stopped someone from using your card without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card has been lost or stolen, call **1 (888) 241-2510**, **1 (718) 418-8232**, fax **1 (718) 418-8252**, email **atm@brooklyn.coop** or write to:

**Brooklyn Cooperative FCU
1474 Myrtle Avenue
Brooklyn, NY 11237**

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

IV-6) Confidentiality

We will disclose information to third parties about your account or the transfers you make:

- (i) Where it is necessary for completing transfers, or
- (ii) In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
- (iii) In order to comply with government agency or court orders, or
- (iv) If you give us your written permission.

IV-7) Documentation

Terminal transfers. You can get a receipt at the time you make any transfer to or from your account using one of our automated teller machines.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 718 418 8232 to find out whether or not the deposit has been made.

Periodic statements. You will get a monthly account statement unless there are no transfers in a particular month. In any case you will get a statement at least quarterly.

IV-8) Preauthorized payments

Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call us at 718 418 8232 x6111, email EFT@brooklyn.coop or write to us at 1474 Myrtle Avenue, Brooklyn NY 11237 in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge a fee for each stop-payment order you give.

Notice of varying amounts. If these regular payments vary in amount, a member must provide notification of when the Item will post and how much it will be at least 10 days before each payment. The member may choose either to provide this notice only when the payment differs by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that the member has set.

Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Financial institution's liability. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If the transfer goes over the credit limit on your overdraft line.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the ATM was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire, flood or other natural disasters) prevent the transfer, despite reasonable precautions that we have taken.
- (6) If the money in your account is subject to legal process or another claim.
- (7) If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- (8) If the error was caused by a system of any participating ATM network.
- (9) If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EF facility for making such transfers.
- (10) Any other exceptions as established by the Credit Union

IV-9) Foreign ATM fees.

When you use an ATM not owned by us, you may be charged a fee by the ATM operator, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving **new accounts, point-of-sale, or foreign-initiated transactions**, we may take up to **90 days** to investigate your complaint or question. For new accounts, we may take up to 20

business days to credit your account for the amount you think is in error.

We will tell you about the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Truth in Savings Disclosure

The following disclosures apply to regular share accounts.

V-1) Dividends

A dividend period begins on the first day of each month and ends on the last day of each month.

The dividend rate and annual percentage yield may change occasionally at the discretion of Brooklyn Cooperative FCU's Board of Directors. The "dividend rate" refers to the dividends paid or expected to be paid on an account without giving effect to the compounding of previously earned dividends. It is shown as an annual figure and expressed as a percentage of the account balance. The "annual percentage yield" refers to a percentage rate reflecting the total amount of dividends expected to be earned in a year on an account. It is based on the dividend rate and the frequency of compounding accrued dividends.

V-2) Calculating Dividends

You can compute the dividends earned on your account each day by multiplying the current simple annual dividend rate by the average daily balance in your account at the end of each day, divided by 365 days, or 366 in a leap year. The amount of dividends you earn for each day will be added to your principal balance.

If you withdraw funds from your account before dividends are paid, you will receive dividends accrued on the funds prior to withdrawal,

but such dividends will not be credited to your account until the next dividend declaration date.

V-3) Minimum Balance Requirements

All regular savings accounts must have balances of at least \$5.00.

V-4) Collection of Non-Cash Deposits

Every share draft, check or other item other than cash which is accepted for deposit in your account will be provisionally credited to your account on the day it is deposited and earn dividends from the day it was so provisionally credited to your account. If, however, Brooklyn Cooperative FCU is subsequently unable in the normal course of business to obtain payment for that item, you will not earn any dividends on that deposit.

V-5) Notice of Changes

Changes that affect the frequency of compounding dividends, the frequency of crediting dividends, minimum balance requirements, or fees, charges and penalties, dividend rate or the annual percentage yield, and any changes in the information disclosed within this Membership Agreement will be posted in Brooklyn Cooperative FCU's offices.

Privacy Policy

1) Brooklyn Cooperative FCU collects non-public personal information about you from the following sources: i) information provided on the application you provided to obtain membership or other products or services at the credit union; ii) information from your account balances, payment history, and overdraft history at the credit union; iii) information provided in connection with collecting on a loan or servicing a loan; iv) information provided on a credit report.

2) Brooklyn Cooperative FCU does not disclose any non-public information about our members and former members to nonaffiliated third parties, except as permitted by law.

3) In practice, this means that we limit access to non-public information about our members and former members to our employees; to credit reporting agents; to C.U. Employees are educated on the importance of maintaining the confidentiality of customer information and on the principles reflected in this Privacy Notice.

Unlawful Internet Gambling

VI-1) Internet Gambling and Brooklyn Cooperative FCU

With the dramatic increase in Internet-based wagering, Congress has acted to ensure that illegal Internet gambling is thwarted, and has enlisted credit unions to assist in this effort. Congress concluded that new mechanisms for enforcing gambling laws on the Internet were necessary because traditional law enforcement mechanisms are often inadequate for enforcing gambling prohibitions or regulations on the Internet, especially when it crosses state or national borders.

Whether an individual engages or a business engages in Internet gambling processes, it is important to know what Brooklyn Cooperative FCU is now doing to ensure that these activities are not being conducted unlawfully. The Unlawful Internet Gambling Enforcement Act (UIGEA) requires us to do certain things, and permits us to do others.

VI-2) What Brooklyn Cooperative FCU MUST Do

Under Federal rules, credit unions must have policies and procedures to block transactions that finance Internet gambling by credit and debit cards.

(1) Brooklyn Cooperative FCU is permitted to rely on the procedures established by credit card operators (VISA) to block illegal gambling transactions. While it is up to VISA to determine their specific procedure, it is possible that they may not differentiate between lawful and unlawful gambling, choosing instead to block all gambling transactions.

(2) Brooklyn Cooperative FCU must screen business customers at the time of an account opening to establish the level of risk that the new account holder might be for participating in restricted activities.

(3) Brooklyn Cooperative FCU is required to notify our business customers that illegal Internet gambling transactions are prohibited and cannot be processed through the bank.

(4) When Brooklyn Cooperative receives a report from a law enforcement or regulatory agency that an account is processing restricted transactions, we must first determine whether the transactions are legal or illegal, and if illegal, take appropriate actions (such as closing the account).

VI-3) What Brooklyn Cooperative is Permitted to Do

We or our credit card operators are permitted to "over block" transactions, which means that we can block Internet gambling transactions whether legal or illegal.

VI-4) What You Should Do

The UIGEA does not change the legality of any gambling activity. Individuals and businesses should never participate in illegal gambling activities of any kind. Just as important is to know which activities are lawful and permitted, and which are not. There are a myriad of Federal, state and Tribal laws prohibiting or regulating gambling, and you should be knowledgeable about those that affect your particular activities. Brooklyn Cooperative FCU maintains written policies and procedures for how it will comply with the Unlawful Internet Gambling Enforcement Act.
